## About Vyas Group

**T**he foundation of the Group is laid by Shri Manish Vyas, an eminent journalist and philanthropist.

The Group under the society of Rajasthan Vikas Sansthan laid the foundation of Vyas Institutes of Higher Education (VIHE) in the year 2000. Till then, Mr. Vyas is continuing with the rich tradition of the Group of imparting quality and affordable education.

Over the last 16 years, Vyas Institutes of Higher Education (VIHE) has been actively involved in quality dispensation of education in the areas of Engineering, Management, Dental, Nursing, Education and Commerce. The Group added another feather in the cap by launching Delhi Public School in the year 2013. The Group is on the fast track to start a University and Medical College that will excel in multi-disciplinary and inter-disciplinary education in India and abroad.

**V**YAS INSTITUTES OF HIGHER EDUCATION is proud to be successfully running the following institutions.

- VYAS INSTITUTE OF ENGINEERING & TECHNOLOGY (VIET)
- VYAS COLLEGE OF ENGINEERING & TECHNOLOGY (VCET)
- VYAS INSTITUTE OF MANAGEMENT (VIM)
- VYAS DENTAL COLLEGE & HOSPITAL (VDCH)
- VYAS COLLEGE OF NURSING
- VYAS NURSING INSTITUTE
- VYAS B.ED COLLEGE
- VYAS COLLEGE OF COMMERCE & BUSINESS ADMINISTRATION
- DELHI PUBLIC SCHOOL

The VYAS Group with its foresighted vision, sense of mission and passion is determined to have its presence felt by esteem industries. We look forward to global alliances to offer more, with the unwavering determination, passion, hope, effort and vision of so many behind, the Group always strive & work & relentlessly to touch the new zenith of success, exciting careers to our students.

**Manish Vyas**  
Founder & Chairman  
RVS, Jodhpur

It gives me great pleasure to introduce Rajasthan Vikas Sansthan (RVS), a new blooming educational hub. RVS was established with the aim of providing quality higher education and install high standards of discipline by making students technically superior and ethically strong those who, in turn, will improve the quality of human life.

Every successful organization has some unique characteristics that sets it apart from the rest. These features are encapsulated in two words, 'WE CREATE'. This is evident as RVS applies its concentration on three unique facets of the student's persona, viz knowledge,

skills and positive attitude.

The Rajasthan Vikas Sansthan is here to provide a platform for exploring student's hidden talent to achieve the pinnacle of life under the umbrella of Vyas Institutes of Higher Education popularly known as VIHE.

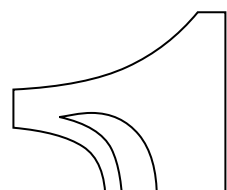

I invite you to visit our magnificent campus, inspect our state-of-the-art facilities, meet and discuss with students and faculty to discover, why have so many bright students made Vyas Institutes of Higher Education their First choice.

To the people who don't know where they want to go, there is a favorable wind here.

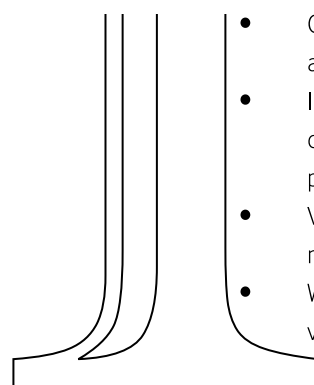

# Why? WYAS

It's as simple as 1,2,3...

*We make our students industry-ready by keeping the design and delivery of our curriculum always concurrent.*

- Our teaching is of a high standard. Our faculty is well qualified and experienced.
- Industry integrated curriculum. In addition to the prescribed curriculum, every student studies two additional modules as per his/her specialization.
- Very active and strong team of Board of Advisors from top notch universities and corporate.
- Weekly guest lectures by corporate executives and industry visits.

*We equip our students with the right blend of Knowledge, Skills and Attitude (KSA) with a mix of curricular, co-curricular and extracurricular engagement.*

- Personality Enhancement Program (PEP) from Day 1
- Project based learning
- Industry Internship Program (IIP)
- Safe and secure campus. State-of-the-art infrastructure facilities that complement with all round development.

- Effective Communication and Interpersonal Skills
- Deep domain knowledge
- Quantitative, Analytical and Problem Solving Skills
- Social Responsibility and Global Awareness
- Exciting career prospects

*We focus more on students' learning outcomes (rather than just on teaching), based on our 5 learning goals.*

## VYAS DENTAL COLLEGE & HOSPITAL

(Recognized by Dental Council of India, New Delhi & Affiliated to Rajasthan University of Health Sciences, Jaipur)

# B.D.S

The Bachelor of Dental Surgery (BDS) is one of the most popular and designated degree of dentists. The BDS is the only educational and professional programme of dental surgery in India. It is equivalent to the MBBS and uses the 'DR' domain. In the medical field it is the second choice of students after the MBBS course.

### COURSE DURATION

4 years + 1 year compulsory rotational internship

### STUDENT INTAKE

The Vyas Dental College & Hospital has an intake of 100 seats for B.D.S course.

### EDUCATIONAL QUALIFICATION FOR ADMISSION

The candidates must have passed the 10+2 or its equivalent examination with physics, chemistry & Biology/Biotechnology with English. The minimum percentage for general category is 50%, for SC/ST/OBC is 40%, for general PH 45% and for SC/ST/OBC handicapped is 40%.

### ADMISSION PROCEDURE

Admission to BDS program will be done through Score in National Eligibility cum Entrance Test (NEET). Please visit our website for further details.

## VYAS DENTAL COLLEGE & HOSPITAL

(Recognized by Dental Council of India, New Delhi & Affiliated to Rajasthan University of Health Sciences, Jaipur)

# M.D.S

The Master of Dental Surgery (MDS) degree provides post graduate training in different disciplines in dentistry. The aim of each discipline programme is to prepare graduate students to further refine their skills and become specialist.

### COURSE DURATION

3 years

### STUDENTS INTAKE

The Vyas Dental College & Hospital has total intake of 27 seats for MDS course. Each specialization has 3 seats.

### EDUCATIONAL QUALIFICATION FOR ADMISSION

A candidate having passed B.D.S. from a DCI recognized dental college and have completed 1 year of internship.

### ADMISSION PROCEDURE

Admission to MDS program will be done through score in National Eligibility cum Entrance Test (NEET). Please visit our website for further details.

**Department of Prosthodontics, Crown & Bridge and Implantology**

Prosthodontics is the dental specialty pertaining to the diagnosis, treatment planning, rehabilitation and maintenance of the oral function, comfort, appearance and health of patients with missing or deficient teeth and/or oral and maxillofacial tissues using biocompatible substitutes. The department has well equipped preclinical section for undergraduates and postgraduates with modern and sophisticated casting lab along with air conditioned ceramic laboratory.

**Department of Oral and Maxillofacial Pathology and Microbiology**

The Department of Oral and Maxillofacial Pathology and Microbiology is catering to diagnostic services for all the Departments in the college, other hospitals and private practitioners as well. The Department has got a well-equipped histopathology laboratory for the tissue processing and staining of the biopsy & cytology specimens. The faculties are involved in both undergraduate and post graduate teaching of Dental Histology and Oral Pathology.

**Department of Oral and Maxillofacial Surgery**

The department of Oral and Maxillofacial Surgery provides diagnosis, surgical treatment and management of surgical problems of face, jaws and mouth. The department imparts both theoretical knowledge and clinical learning through an integrated programme consisting of interactive lectures, seminars, presentations, demonstration and hands-on experience. Clinical skills are developed through chair side discussions and supervised clinical work on patients.

**Department of Conservative Dentistry and Endodontics**

The Department of Conservative Dentistry & Endodontics deals with diagnosis, treatment planning and prognosis of defects of teeth that result in restoration of proper tooth form, function and esthetics. Endodontics is branch that focuses on morphology, physiology, and pathology of human dental pulp and periapical tissues.

**Department of Pedodontics and Preventive Dentistry**

The department undertakes specialist dental treatment for those under 18 years of age, and deals with the aetiology, prevention, diagnosis and treatment of oral disorders; and mouth conditions and teeth of children. Promoting effective preventive measures to ensure a lifetime of oral health. The students perform exodontias procedures, restorations, oral prophylaxis and oral hygiene instructions, pit and fissure sealant and fluoride application procedures.

**Department of Oral Medicine, Diagnosis and Radiology**

Oral medicine is the specialty of dentistry which is concerned with the diagnosis and treatment of oral mucosal disease, diagnosis and treatment of other oral complaints that may reflect either local oral disease or oral manifestation of systemic problems. Department of Radiology deals with intraoral and extraoral imaging modalities which aids in diagnosis of various minor and major diseases of head and neck region.

**The Department of Orthodontics and Dentofacial**

Orthopedics deals with patients faces, smiles and teeth. In the department number of procedures and techniques are performed to enhance patient's facial characteristics, smile esthetics and functional development. Treatment is provided to children and adults both who suffer from esthetic concerns regarding teeth as well as those who suffer from functional difficulty.

**Department of Periodontics and Oral Implantology**

Periodontal diseases are characterized by progressive destruction of tooth supporting bone which leads to tooth loss. The Department of Periodontics provides instruction and clinical experience dealing with the etiology, diagnosis, prevention and treatment of diseases of the periodontium in adults. The department has separate working clinics for postgraduates and undergraduates and is well equipped with instruments and materials for carrying out all the procedures.

**Department of Public Health Dentistry**

Preventive and community dentistry is a subject design to help the students to explore professional ethics as they relate to dentist's relationship to peer, patient and community. Students attend dental camps and perform initial screening examination. They sensitize to specific needs of a variety of patient population.

**Medical Departments**

**Anatomy** is the study of various structures and their relations in the body. Knowledge of human anatomy is the foundation stone for the BDS course. It gives an idea about the arrangement of structure in the body, its development, microscopic features as well as its clinical importance.

**Physiology** deals with the functions of human body. It tries to explain the specific characteristics and mechanisms of the human body that make it a living being. Without the knowledge of this subject various intricate and complexities of human body cannot be understood during physiological and pathological condition.

**Bio-chemistry** deals with the chemical language of life. Modern day medical practice is highly dependent on the laboratory analysis of body fluids especially the blood. Biochemical analysis gives the scientific basis of the disease which is useful for its treatment and prognosis.

**Pharmacology** is the branch of medical science which deals with different aspects related to drugs. Knowledge of pharmacology ensures safe, judicious and rationale use of drugs. Pharmacology is the sheet anchor of career of the students for future vocational capabilities of future dentists.

**General Pathology** is the study of what and why of abnormalities of structure and functions of human body. It deals with scientific understanding of genesis of diseases and its related structural changes. In this histopathology remains a very important diagnostic aspect and final diagnosis is made only on the basis of histopathological reports and the patients are treated accordingly.

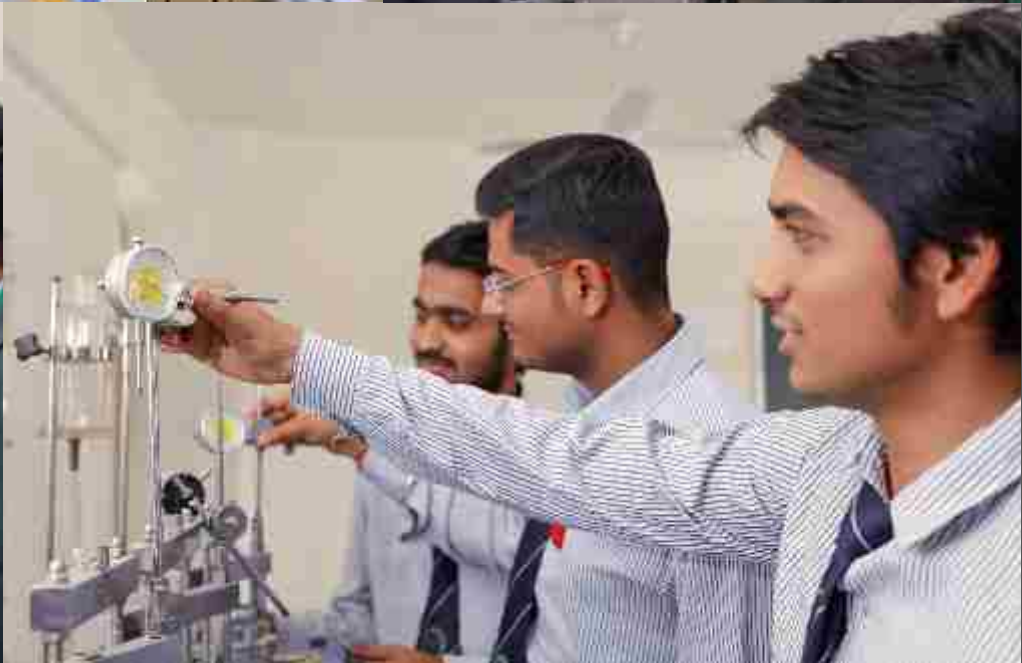

**Microbiology** helps in identification of pathogens, micro-organisms and other parasites which are responsible for diseases. Microbiology also gives a valuable guidance that to which type of antibiotics the organisms responsible for disease will respond.

**General Medicine** prepares students to face and treat emergencies arising during dental procedures and makes them capable of treating common diseases and ailments.

**General Surgery** The students diagnose the various medical problems and may refer the case for further investigations and treatment to general hospital.

# B.TECH.

BACHELOR OF TECHNOLOGY

Bachelor of Technology program offered by Vyas Institute of Engineering & Technology and Vyas College of Engineering & Technology is approved by All India Council for Technical Education (AICTE) & Affiliated to Rajasthan Technical University, KOTA. The institute is located at its sprawling education campus spread over 30 acres in Jodhpur. The institute is strategically located closest to the city.

## Vyas Institute of Engineering & Technology

College Code : 063

- COMPUTER SCIENCE ENGINEERING
- ELECTRONICS & COMMUNICATION ENGINEERING
- ELECTRICAL ENGINEERING
- ELECTRICAL & ELECTRONICS ENGINEERING
- MECHANICAL ENGINEERING

Duration : 4 Years (8 Semesters)

## Vyas College of Engineering & Technology

College Code : 064

- CIVIL ENGINEERING
- COMPUTER SCIENCE ENGINEERING
- ELECTRONICS & COMMUNICATION ENGINEERING
- ELECTRICAL ENGINEERING

Duration : 4 Years (8 Semesters)

## B.TECH

### CIVIL ENGINEERING

Civil engineering is a broad filed of engineering dealing with the design , planning, construction and maintenance, fixed structure or public works as they are related to earth , water, civilization and their process. Civil engineers are involved with those projects from the beginning till the end of the project. It is the oldest and broadest of all engineering fields. Equipped with the sophisticated labs in the department , students here are exposed to contemporary technologies in the area of civil engineering, drafting, structure deigns , GIS and automated mapping and facilities management.

## B.TECH

### COMPUTER SCIENCE ENGINEERING

Computer Science is a dynamic and versatile subject that promises a galore of opportunities for today's supersonic generation. The first year of the course covers broad subject areas in the field of computer network, computer hardware and fundamentals and computer application. By the time a student moves towards his fourth year of study, he would have a detailed understanding of the nitty-gritty of the subject.

## B.TECH

### ELECTRONICS & COMMUNICATION ENGINEERING

Electronics and communication industry is an emerging and expanding area of technology. Communication industry is one of the few industries in the world that is posting consistent high growth. The course is designed so as to make the students versed with the application of electronics in the field of communication and control system, computer, industrial electronics and instrumentation. The student is also made to develop rapid response systems using large scale integration and troubleshooting problems associated with the device.

## B.TECH

### ELECTRICAL ENGINEERING

Electrical Engineering has a broad scope in the areas that involve electricity, electronics and electromagnetism in order to design, construct and maintain products, services and information systems.

Electrical engineering is a branch that deals with the field associated with the devices.

## B.TECH

### ELECTRICAL & ELECTRONICS ENGINEERING

We are the first engineering college of Rajasthan which introduced the Electrical and Electronics Engineering branch. The students in this branch study the main (core) subject related to both Electrical and Electronics Engineering. Electrical Engineers are responsible for the generation, transmission and distribution of electrical power and deals with electrical machines.

## B.TECH

### MECHANICAL ENGINEERING

The trace of application of mechanical engineering can be found in all the field. It involves the understanding and applicability of laws and principles of physics to analyze, design, manufacture and upkeep of mechanical systems. The engineering field requires an understanding of core concept including mechanics, kinematics, thermodynamics, material science, structural analysis and electricity. You will learn how the machines and other mechanical system work how they are designed. How do gearbox, clutch and engine operate in a car ? How were they designed? The mechanical engineering course covers a lot more than engines.

### Eligibility

Candidate must have passed 10+2 examination with physics and mathematics as compulsory subjects along with one of the following subjects:  
Chemistry / Biotechnology / Biology

### Procedure

Admission to the B.Tech program will be done as per the guidelines of RTU kota. Please visit our website for further details.

### Direct Admission to second year B.TECH ( Lateral Entry)

#### For Diploma holders

Passed qualifying examination from an AICTE approved institute with at least 45% marks (40% in case of candidates belonging to reserved category).

#### For B.Sc. graduates

Passed B.Sc. Degree from recognize university as define by UGC with at least 45% marks ( 40% in case of candidate belonging to reserved category ) and passed XII standard with mathematics as a subject.

Providing that these students shall clear the subject of engineering graphics / engineering drawing and engineering mechanics of the first year engineering program along with second year subjects.

### Scholarships

Various scholarship are granted by Centre & State government to the students belonging to SC, ST, OBC, J&K, North Eastern Region & girl students. Students need to apply separately for availing these scholarship.

#### Merit Scholarship (based on class XII score)

90% and above	: 100% of 1st year tuition fee
80% to 89.99%	: 30% of 1st year tuition fee
70% to 79.99%	: 20% of 1st year tuition fee

### Bank Loan

The Institute has tie-up with Canara Bank (Jalori gate), Jodhpur for providing educational loan. Students may avail loan facility on the sole discretion of the bank.

# MBA

MASTERS IN BUSINESS  
ADMINISTRATION

## VYAS INSTITUTE OF MANAGEMENT

- MARKETING
- FINANCE
- HUMAN RESOURCE MANAGEMENT
- INFORMATION TECHNOLOGY
- INTERNATIONAL BUSINESS

**STUDENTS INTAKE**  
90 seats

**Eligibility :**

Prospective candidates must possess a graduate degree in any stream from a recognize university with minimum 50% (45% in case of belonging reserved category) marks. Those appearing in the qualifying examination or awaiting results may apply provisionally, the admission being subject to passing the qualifying examination.

VYAS INSTITUTE OF MANAGEMENT offers Masters in Business Administration program. This is 2 years (4 semesters) full time degree course, duly approved by All India Council for Technical Education (AICTE) & affiliated to Rajasthan Technical University, Kota. The MBA programme is an integrated course, which aims to impart academic excellence, holistic education, global relevance and contemporaneous curriculum to the budding managers.

The main thrust of the department is to demonstrate a critical, ethical and reflective approach to the field of management. The emphasis is to expose students to scenarios that demand structuring of unstructured problems and In turn helps them in analytic and decision making skills to equip them to lead organization, in a cross-cultured environment.

The structure of the course is designed by the university in a way that students have to study the core courses from different functional areas of management that are made compulsory. Later on, specialization are offered in functional areas where the students can opt for two specialization out of the five offered.

Right from the beginning of the course ,the focus is on providing relevant inputs through case discussion/ analysis , simulation games, role plays etc. keeping in mind the current business environment.

# NURSING

## VYAS COLLEGE OF NURSING

**COURSES OFFERED**

BACHELOR OF SCIENCE IN NURSING (Basic B.Sc. Nursing)  
This program enables the students to become competent professional nursing practitioners who are self-directing and responsible both in clinical and teaching setup.

**DURATION**  
04 Years

**AFFILIATION**

Recognized by Indian Nursing Council & affiliated to Rajasthan University of Health Sciences, Jaipur

**WHO CAN APPLY?**

The candidate should have passed 10+2 or equivalent examination through a recognized Board / University with Physics, Chemistry, Biology and English with a minimum of 50% aggregate marks.

The candidate should have a minimum age of 17 years as on 31 DECEMBER of that Year.

**STUDENT INTAKE**  
40

## VYAS NURSING INSTITUTE

**COURSE OFFERED:**

GENERAL NURSING & MIDWIFERY (G.N.M. NURSING)  
This course is intended to develop fundamental abilities and attitude in the students towards scientific methods of investigation and utilization of research finding so as to improve practice of nursing.

**DURATION**  
3 Years and 6 Months. (6 Months Internship)

**AFFILIATION**

Recognized by Indian Nursing Council & affiliated to Rajasthan University of Health Sciences, Jaipur

**WHO CAN APPLY?**

The candidate should have passed 10+2 or equivalent examination through a recognized Board / University with 40% (For General & OBC Candidates) & 35% (For SC & ST Candidate) marks in Any Stream(Priority will be given to Science stream students).

The candidate should have a minimum age of 17 years & Maximum of 28 years (For Male candidate) & 34 years (For Female Candidates) till 31st DECEMBER of that year.

**STUDENT INTAKE**  
60

# COMMERCE

VYAS COLLEGE OF  
COMMERCE & BUSINESS  
ADMINISTRATION

**Vyas College of Commerce & Business Administration (VCCBA)** is one of the prime colleges affiliated to Jai Narain Vyas University, Jodhpur. It plays a pivotal role in serving the society by shaping the career of students keeping in view the changing socio economics environment. The main aim of our college is to provide a healthy, balanced, stable, peaceful, happy and studious environment to the students.

Apart from shaping the students career the college organizes seminars, workshops, conferences, industrial visits to give exposure to the students. These efforts give encouraging result in shaping the students' career. It serves as a tool in nurturing the creative minds.

Courses offered	Eligibility
B.Com. Pass Course (Three Year Degree Course)	Aggregate 45 % marks in last qualifying exam
B.Com. Honours (Accounting)	Aggregate 48 % marks in last qualifying exam and at least 50 % marks in Accounting / ABST group. Compulsory paper Hindi/ English/ Maths must be passed.
B .Com. Honours (Business Finance & Economics)	Aggregate 48 % marks in last qualifying exam and at least 50 % marks in BFE / EAFM group. Compulsory paper Hindi/ English/ Maths must be passed.

**Result at a Glance :**

Courses running	2012-13	2013-14	2014-15	2015-16

# B.Ed.

VYAS B.Ed. COLLEGE

The civic sense depicts in common man shows the qualities of its upbringing and each person can trace contribution of some teacher who helped that person to transform into a good human being with a more positive self-image, more self-confidence, more commitment and motivation to pursue excellence. This role of a teacher is universally acknowledged and with the same feeling, VIHE has started Vyas B.Ed. College to carve out good teachers who can be instrumental in nurturing and developing the future citizens of this country.

**COURSE OFFERED:**  
Full Time Bachelor of Education B.Ed. Course Program.

**DURATION**  
2 Years

**AFFILIATION**  
NCTE Approved & Affiliated to JNVU Jodhpur.

**Eligibility**  
B.Ed PTET Entrance Test.  
Candidate must have passed graduate or post graduate in Arts/Commerce/ Science with 50% or above for General Category & 45% or above for SC/ST/OBC/SBC/Widow/Divorcee/Physically handicap Category.

## Achievement in Professional Courses

1.	Jinesh Bansal	CS Professional June -2013CA	5th Rank All India
		Final May - 2013CS	47th Rank All India
2.	Miss Kratika Anchaliya	Executive June - 2013CS	12th Rank All India
3.	Miss Sanigdha Rathi	Executive June - 2013	25th Rank All India
4.	Devi Kishan Rathi	CA Final May – 2013	32nd Rank All India
5.	Gaurav Sancheti	CPT June – 2013	7th Rank All India
6.	Kunal Jethani	CA Final 2014	2nd Rank All India
7.	Miss Priyanka Loya	CMA Inter June 2015	12th Rank All India
8.	Miss Payal Bhandari	CMA Inter June 2015	45th Rank All India
9.	Sumit Solanki	CMA Final 2015	27th Rank All India

A Lot of thought has gone in to achieving exemplary VYAS campus. The design and facilities of the campus are such that once you enter the campus, you have the entire universe to explore.

INFRASTRUCTURE & FACILITIES

Library

The institute library has a separate reading, reference and stacking sections. The library is equipped with online data base, books, reference books, national and international periodicals, magazines, and journals. The students can also use it as a place for quiet self-study. Book bank facility is also being provided to the students.

IT Infrastructure

The institute has a state of the art computer centre having Unix/ Linux and Windows environment equipped with adequate number of i5 computers with TFT, Printers and Scanners. The Group has entered into educational campus agreement with Microsoft for supply of licensed software.

Internet Connectivity

The campus has uninterrupted bandwith connection of 40 Mbps. The air-conditioned computer centre is inter-connected through LAN and internet connectivity. Students can benefit themselves by net browsing facility available to them in the labs. The Institute has also got in to agreement with Reliance Jio to provide internet facility to the students.

Communication Lab

In today's competitive age, it becomes almost mandatory for all students to be perfect at communication. The institute helps students in achieving the same and has set up a lab especially designed to improve the communication skills at the individual level. Trained instructors with practical, interactive, and easy-to-learn manner sessions, help the students tune their communication skills with the help of software, stereophonic aids, projector screens etc. The prime objective of the lab is to facilitate teacher-student interaction for focused and productive language learning sessions.

Lecture Rooms and Tutorials

Well ventilated and spacious lecture & tutorials rooms are provided with necessary teaching aids that undoubtedly make for a congenial environment for students. The institute is fully equipped with latest audio video aids to complement student's studies.

Seminar Hall and Auditorium

Seminar Hall and Auditorium are equipped with modern latest audio-video technological facilities. It gives our young engineers a glimpse of the professional world. Seminar Hall and Auditorium witness the young professionals indulge in group discussions, presentations, mock sessions, online semi ars among others.

Canteen

Special care has been taken to ensure that the students get hygienic and nutritious food. The canteen remains open throughout the day and has a variety of snacks, tea and other beverages to offer.

Hostel Facility

Students can opt for campus hostel facility which takes care of accommodation, housekeeping and mess facilities.

Transportation

The institute facilitates transportation by providing its own bus service for students from all areas of Jodhpur and Pali. The institute is situated at the nearest from the heart of the city

Convenience Store

Students can depend upon the store to fulfill their day to day requirements like Xerox, stationery etc.

Recreational Centre

Huge playgrounds have been made for in-house and outdoor recreation of the students. The recreation centre includes volleyball, football and cricket ground, yoga and aerobics centre and a meditation room.

Medical Centre

The campus has fully functional general hospital to provide medical assistance to students in case of any medical emergency. Hence, students suffering from any ailment are in a position to avail the expert medical guidance in the campus itself.

# PLACING STUDENTS WITH LEADING COMPANIES

Headed by a senior officer and with an aim to provide excellent placement for all students, the cell helps with career skills assessment, resume writing, interview technique and other soft skills. Training & placement department is committed to provide appropriate placement opportunities to every student through its diversified & strong industry links with organizations like:

## MEDIA VYAS NEWS

# DO WHAT YOU LOVE!

- Safe, secured and well equipped Smart Class Rooms of appropriate size, with age appropriate furniture.
- Audio-Visual Room designed to explore and learn concept through pictures and animation in an interactive way.
- Lush green playground to play basketball, football, handball, volleyball, badminton & cricket and a separate playground for tiny tots.
- A Library to store and display reference material, story books, literature, magazine, newspaper etc.
- Well equipped Science, EVS, Maths, Language Labs.
- An Activity Room loaded with educational blocks and toys to motivate children to learn while playing.
- A well equipped 12 Bed Clinic with full time nurse on duty under the 24 hours supervision of Doctors at Vyas General Hospital.
- A Music and Dance Studio fully equipped with instruments.
- Art & Craft Studios to motivat & enrich artistic talent of students.
- A Clay Factory an added experience to work on potters wheel & mould clay to shape their dreams.
- High-tech Computer Labs with latest equipments.
- An Indoor wooden floor Skating wing for skating lovers.
- A Puddle Pool for tiny tots to fill them with excitement & fun.
- Latest Swings in playground will add amusement of our junior champs.
- A well designed Dance Studio to develop talent in dancing.
- An Artificial Canal to amuse students while boating.
- A Swimming Pool for primary and Senior students to develop swimming skills.
- Latest design Athletic track.
- An Adventure Sports arena to make students confident balancers in rope / rock climbing, rippling & archery.
- Well designed with latest equipped Physics, Chemistry, Biology, Maths, Fine Art, Sculpture, Home Science, and Geography Lab of all streams for higher grades.
- A Fleet of Brand new AC Buses for transportation.
